What I Wanted to Do Growing Up ...

Inspiration

Aim To Be a Zero

“When you have some skills but don’t fully understand your environment, there is no way you can be a plus one. At best, you can be a zero... but a zero isn’t a bad thing to be ...”

Colonel Chris Hadfield

ISS - Expedition 35 Commander

Who Does This Apply To?

Expeditionary Behavior Is ...

“Being able to live & work with a group of people 24/7 and to get along even when you have a bad day.”

Paul Petzoldt – Founder – National Outdoor Leadership School (NOLS)

Expeditionary Behavior

Invest in Other People's Success

Sweat the Small Stuff

Expeditionary Behavior

failing = prepare
to prepare = to fail

Preparation is Everything

leadership is not a
position or a title,
it is action and
example.

... Not Rocket Science

Final Thoughts

“... Proclaiming your plus-oneness at the outset almost guarantees you’ll be perceived as a minus one, regardless of the skills [or value] you bring to the table or how you actually perform.”

Colonel Chris Hadfield

ISS - Expedition 35 Commander

The background features a dynamic, abstract composition of flowing, translucent ribbons in shades of blue and green. These ribbons twist and curve across the frame, creating a sense of movement and depth. The lighting is soft, highlighting the glossy, reflective surfaces of the ribbons against a light, neutral background.

Thank You
