Looking for Open Source technology solutions, ideas, trends or talent?

Look no further. It's all happening at *SCALE*.

Whether you need hardware, applications, tools or partners, the Fifth Annual SoCal Linux Expo will bring them all within easy reach.

Listen to industry leaders such as Chris Dibona, David Uhlman, and Ted Haeger.

Learn from Open Source experts about everything in Open Source, from licensing to virtualization.

Meet with *SCALE* sponsors IBM, Google, Uversa, and many others.

Talk with Linux Astronomy, KDE, Knoppmyth, Freespire, and more.

SCALE - Where people, technologies and solutions become results.
