Dir of Operations,
GNOME Foundation

Pietro Di Caprio
Engineer, VanillaOS

Matthew Miller
Lead, Fedora Project

Drew Adams
Community Expert,
KDE

How It Works

- We will ask one leading question, each panelist will answer it
- After the first question is answered, we will cycle again so panelists can respond
- The order is as follows
Nova King, Matthew Miller, Rosanna Yuen, Lleyton Gray, Drew Adams, Pietro Di Caprio, Monica Madon
- Jaiden is the moderator, she will ask the questions and keep the panel on topic
- There are 5 topics
